(*d*) That no timber prepared out of any tree shall be removed unless it is measured and stamped at the stump by the Range Officer or such other officer as the District Forest Officer may authorise and until it is duly paid for.

(*e*) That each consignment of timber shall be covered by a passport issued by the Range Officer or any other Officer deputed by the District Forest Officer in this behalf.

(*f*) That he shall abide by the rules of the department as regards the kindling of the fire and shall hold himself responsible for any forest offences committed by his agents, employees or workmen.

(*g*) That he shall not effect any forest operation in the Forest after sunset and before sunrise.

(*h*) That he shall not sublet the contract to anybody except with the written sanction of the District Forest Officer.

(*i*) That he shall have no right whatsoever over the coupe and over the timber paid for but left unremoved in any of the coupes after the 30th June 1932.

(*j*) That he shall maintain a register in the form prescribed by the District Forest Officer showing the number of trees felled and the outturn of timber from each of them and shall keep it open for the examination of Forest Officers above the grade of guards.

(*k*) That for any breach of any of the conditions of the contract by the contractor or his agents, the contract shall be void at the option of District Forest Officer and that the latter may, after issuing to the contractor a notice of the cancellation of contract enforce forfeiture of all or any part of the deposit and shall resell the right or work it departmentally at the risk of the contractor as noted in clause (2) *supra*. If the deposit or part thereof is so forfeited, it shall be immediately made good by the contractor.

C. T. NARSIMHA IYENGAR,
Executive Engineer.

WATER SUPPLY DIVISION, BANGALORE

Notification, dated 2nd October 1931.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Water Supply Division, up to 26th October 1931, for the labour portion for improving water supply to Gavipur Village and also Choultries near Gangadhareswara Temple, Bangalore. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of December 1931.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Water Supply Division between the hours of 11 A.M. to 5. P.M. on all working days.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rupees Eighty-five only in cash or Government Promissory Notes, as earnest money and be superscribed "Tender for improving water supply to Gavipur Village, Bangalore, in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Charges on account of scaffolding, materials, implements for setting up barricading clearing site, supply of water, etc., that may be found necessary during execution will not be paid for separately but should be borne entirely by the contractor

10. Rates for non-tenders and non-estimated items shall be as per schedule rates of the Department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of disputes about rates, quantities, measurements, quality of work, etc., and in all disputes of any kind, the decision of the Executive Engineer, Water Supply Division will be final and legally binding.

Tender Notification, dated 5th October 1931.

Sealed tenders accompanied by an earnest money of Rs. 25 in cash will be received by the Executive Engineer, Water Supply Division, Bangalore, at his office by the 5th of November 1931, Thursday at 3 P.M. and opened publicly before the tenderers and the highest tender accepted for the purchase of the rights of cutting Jamboo grass in the contour of the Bethamangala Tank and behind its bund defined within the contour stones on both sides. The acceptance of the tender is, however, subject to the following conditions and the accepted tenderer should bind himself by a Mutchalika and a proper deposit to abide by the same.

1. The period of lease of the rights of cutting Jamboo grass will be for three years commencing from 1st January 1932 to the end of December 1934.

2. No tender shall be considered which shall be lower than Rs. 90 per year for the Jamboo grass on both sides of the tank.

3. The tenderer shall be bound to cut the Jamboo grass grown every year before the 20th June and leave the tank open to the inspection of the Superintendent to see that such clearing has been completed. The further cutting can then be resumed after the 1st July.

4. The cut Jamboo grass shall not be allowed to be stacked in such a place as will cause any decay or pollution affecting the water margin of the Palar Channel or the Tank.

5. No refund will be allowed for the lease amount for any cause.

6. No right will lie with the lessee for any extension of the terms of lease or the cessation thereof on account of any floods or droughts or any abnormal seasonal conditions.

7. The approved tenderer shall bind himself to deposit one year's lease amount on the day of acceptance of the tender by the Executive Engineer and shall then one year's sum in advance within the last week of December of the succeeding year.

8. Should the tenderers fail to satisfy any of the above conditions, then they shall be liable to forfeiture not only of the advance to the Government, but also to the forfeiture of all the Jamboo grass stacked by them so far and the remaining grass in the two sides of the tank.

9. The tenderers are also notified that, for the sake of the cutting arrangements to be made, they ought not in any manner to cause the pollution of the river or tank water by committing any insanitary acts, nuisance, etc., nor any encroachments on the waters by opening out channels, drains and so on.

10. The earnest money will be refunded to the tenderers whose tender is not accepted after the day of opening tenders.

H. F. MARKER,
Executive Engineer.
